- Transfer money between accounts.
- Check account balances by viewing, downloading or printing your account statements.
- Pay your bills – including utilities and credit cards.
- Set up automatic bill payments and transfers.
- Pay government remittances.
- View, create, post, sort and search for transactions.
- Perform administrative tasks such as address changes and changing your password.
- Create, remove or inquire about a stop payment on a cheque or pre-authorized debit.
- View electronic images of cheques that have cleared your account.
- Purchase GICs online.
- Send Member-to-Member fund transfers.
- Send or request *INTERAC*® e-Transfers to anyone whose financial institution accepts e-Transfers.

Secure Messaging

Need help? Get the answers you need quickly while banking online by sending us your questions via our secure messaging service. Similar to email – but your questions and account information are protected – this feature ensures your message is completely confidential and accessible only to **Cambrian Credit Union.**

Online Security

Our commitment to information security brings you **peace of mind.**

Cambrian's online banking systems are Norton Secure sites. This means we use the best technology possible to keep your information protected and confidential.

Each online transaction you perform is encrypted to prevent unauthorized access, alteration or misuse.

Are you interested in what you can do to protect your confidential information? Learn more about safe banking on our website at **www.cambrian.mb.ca** or call one of our branches. We would be pleased to explain how we can work together to keep online banking safe for you and your company.
