To qualify for the \$250 offer the loan balance must be \$10,000 or greater and be amortized between 12 to 120 months. Once you have made your first scheduled payment, Cambrian will credit the offer bonus to your primary chequing or savings account within 60 days of your loan origination date. If your loan is closed or is in default within this 60 day period, this offer will become invalid. This offer is not available for any line of credit, retail mortgage or business financing and is valid from September 1, 2019 to December 31, 2019. Only one incentive offer is made available per member. All loan approvals, interest rates and amortization repayment schedules are based on each individual member's creditworthiness. This is a limited time offer that is subject to change or cancellation at any time without notice.
